MESSAGE FROM THE PRESIDENT

I am genuinely proud to have been elected as President for the coming two seasons. When I joined the Presidential ladder two years ago, no one could have imagined the challenges that the game of Rugby now faces. However, after the financial crash of 2007-8 we faced difficult times and it has never ceased to amaze me the degree of resilience, ingenuity and hard work that volunteers in our game are able to muster when their backs are to the wall. There is no doubt that this is going to be the case for some time to come and your clubs will need your ongoing support, both physically and financially, over the coming years. With severe restrictions across the Country and many areas of local lockdown, my intended visits to clubs have had to be curtailed. However, I hope that my experience gained through many years involved with the County (including 10 years as Chairman) will leave me well placed to help clubs wherever I can. My thoughts are with colleagues from the RFU who have unfortunately been made redundant as a result of the financial pressures that have been brought to bear through this dreadful pandemic. We wish them every success in finding new opportunities for work and hope that they will still be able to bring their expertise to the game in some form. Teamwork and support (subject to the necessary restrictions) to keep clubs going through this difficult period, must go on. Both Cheshire RFU and the RFU have been in regular contact with clubs to help where we have been able to, with advice as well as financial assistance. Clearly, the prolonged absence of competitive rugby will take its toll but we have survived through seemingly impossible times previously. In World War 1 with millions of men dead on the fields of Europe, meaning that there were huge losses of players including dozens of guys who were internationals. Again in WWII, dozens of internationals and thousands of players were lost in action. There is no doubt that with little rugby played over both wartime periods, the game and the clubs emerged with a different mind set. "We were alive" reported Micky Steele-Bodger and the return of rugby provided much needed cheer and a sense of a return to normality. Once again, it may take time for clubs to recover and though these are very different times in which we live, our history tells us that we must be ready to enjoy rugby again with all of the community that this great game has to offer. Teamwork, Respect, Enjoyment, Discipline & Sportsmanship are the tenets of Rugby Union both on and off the field. We will need rugby for our physical and mental wellbeing going forwards - for all of the fun and camaraderie that it offers for men & women of all ages. I have no doubt that our resolve will be tested through the coming months however, I am confident that the rugby community will pull together to ensure that we come out of this crisis and continue. It may not be the same and there may be some casualties and indeed there may be compromises that will need to be made but I am confident that the game will go on due to the resourcefulness and adaptability of the great people we have involved in our clubs and in our County.

I look forward to meeting with you, whether this be in person, in virtual meetings, by telephone or correspondence. The County is here to help, please do not be afraid to reach out to us. .

STANDING ORDERS OF THE COMMITTEE

GOVERNING ITS MEETINGS

(to apply mutatis mutandis to General Meetings)

1. Every notice of motion shall be made in writing to the Hon. Secretary of the County Union to be included in the Agenda of the next meeting, such notice to be signed by at least two members.

The Motion shall be taken in the order in which they appear on the Agenda paper unless a majority of the Committee decide otherwise, and no motion will be put to the vote unless it is both moved and seconded.

2. All correspondence or business of importance which may have arisen too late for inclusion in the Agenda paper shall be produced previous to any motion on the Agenda paper being put, and the Committee may decide by a majority to take any such business before proceeding with the Agenda paper.

3 The Chairman shall have power to prevent any member, except the mover, speaking more than once on any one motion or question unless in explanation. The mover shall in all cases be entitled to speak once in making his motion, and once by way of reply.

4. Whenever an amendment is moved on an original proposition and seconded, no second amendment shall be moved until the original amendment is disposed of.

If an amendment be carried, the motion as amendment shall take the place of the original motion, and shall become the motion on which a second or further amendment may be moved.

Only one amendment shall be submitted for discussion at a time.

No reply is allowed to the mover of any amendment to a motion.

5. All resolutions shall be put to the meeting and decided by a show of hands or by ballot at the discretion of the Chairman.

6. The Chairman shall have power to allow any member to rise and speak to a point of order at any point of a debate.

7. A declaration by the Chairman as to the result of a vote shall be conclusive.

8. It is not intended to apply the standing orders to matters which may arise for discussion apart from the Agenda paper, and the Chairman shall have power to enforce all or part of them only at his discretion.

9. All questions arising on the construction of the above standing orders shall be determined by the Chairman of the meeting for the time being and his decision shall be final.

Entries/communications etc., must not be sent to the County Administration Secretary, and must in each case, fully identify the name of the Club concerned together with the name and position of the Club Officer sending this, together with clear identity of the Club involved.

- a) The Level of the Entry Fee shall be decided and advised by the Competitions Committee to all Clubs, with payment being made by the date specified, to the County Treasurer as identified in the Invitation/Entry Form and County Handbook. 7. DRAW

The Draw for each round for each Competition shall be made by the Competitions Committee.

The first drawn club in each tie of all Competitions (other than the Finals), shall have choice of ground/venue.

The Final Ties shall be played at a time and date at a venue to be decided by the Competitions Committee.

(N.B. special provisions shall apply to Manx Clubs – see separate advice provision for this)

8. COMPETITION VARIATION

If a club is unable to fulfil a tie in the Competition due to non-availability of Front Row Forwards, they will be allowed to play the ties on the understanding that, due to the need to play uncontested scrums, they will start the game with a score of 0 – 14 in favour of their opponents. If both teams satisfy this situation, then the score shall commence at 14 – 14. Once the game has commenced, failure to provide Front Row replacements, then the RFU Regulations will apply, i.e. (Uncontested Scrums) etc.

9. REFEREES

The home designated club shall liaise with its usual Referee Society to arrange that the tie shall be refereed, wherever possible, by a member of an R.F.U. Recognised Referee Society. If that Society is unable to appoint a referee, then the home club shall liaise with the Competitions Secretary to ensure that a suitable referee officiates.

For the Finals of all Competitions the referee/assistant referees MUST be members of an R.F.U. Society. Where both assistant referees are members of the Referee Society, they shall report to the referee, incidents of foul play and misconduct under Law 6(a).

10. DATES FOR THE PLAYING OF TIES

When the draws are made for each Competition, the Committee will set dates for the playing of each round (hereinafter called the “set date”) and advise this to the clubs involved. These dates MUST be complied with and can only be varied by a decision of the Committee for a valid reason presented for not playing. A valid reason for an appeal to be successful not to play on a set date for a drawn tie, is normally limited to continued participation by any club in another R.F.U. Competition on that date. If such a case arises, then the Competitions Secretary may direct the clubs involved, to play mid-week to enable the time table of the round in that Competition to be met.

This may involve the use of a neutral alternative venue or the playing by any one of the clubs in two games over the same week-end.

Ties may be played prior to the set date by agreement between the clubs involved subject to the approval of the Competitions Secretary.

In the event of adverse weather conditions or a ground being unfit to play, the host club should explore the possibility of playing the game at an away venue or on a neutral ground on the set date.

If this is not possible, the game MUST be played on a revised set date set by the Competitions Committee.

In the event of both Captains not agreeing as to the condition of the ground for play, the final decision shall be made by the Referee.

If the game is switched to the away venue the status of each team is reversed accordingly. In the case of a neutral venue the original away side should retain that status.

If on the revised set date due to either or both of their grounds being unfit or there is adverse weather precluding the use of a neutral ground then the tie shall be decided by the toss of a coin.

11. DRAWN GAMES

Drawn matches shall be dealt with in accordance with RFU regulation 13.6.5(a) (other than the semi-final and final) In the case of the semi-final and final the following shall apply. Drawn matches at the end of No Side, are dealt with as per the Rules of the R.F.U. (Intermediate Club Knock Out 2016/7), where, except in the Finals, if after 40 minutes play each way, the scores are level. There shall then be an immediate period of Extra Time of 10 minutes each way, with an interval of one minute.

If the scores are then still level, then the team which has scored the most tries shall be the winner. If no result is thus achieved, the game shall continue with further periods of 10 minutes each way with 1 minute intervals. The team which scores first be it try, penalty or drop goal shall be the winner.

12. ABANDONED GAMES

Should there be any abandonment of a tie due to inclement weather, the score at the time of the abandonment shall stand provided that 60 minutes has been played – otherwise the tie may be ordered to be replayed unless the tie is being played on the revised set date when the tie shall be determined by the toss of a coin as per paragraph 10.

If the referee finds it necessary to abandon a tie for reasons other than weather, then, irrespective of the number of minutes played, the result of that match shall be determined by the Competitions Committee, which may order the match to be replayed.

13. REPLACEMENTS

Clubs must field not more than 5 replacements other than in the Semi Finals and Finals where not more than 7 replacements will be allowed.

Each team must have 5 players in the squad capable of playing in the front row. In the case of 5 replacements up to 10 interchanges will be allowed (which includes an inter change for a blood injury) and in the case of 7 replacements up to 12 interchanges will be allowed (again including blood injuries

14. FINANCES

All entry proceeds from each Competition tie, excluding the Final (that being Gate, Stand, Programme and Car Parking), shall be paid to the host/home club. All such proceeds from the Finals, (that being the Gate, stand, programmes and Car Parking), shall be paid to the County, after the deduction of the catering and referee expenses.

Members of host and home Clubs must pay for admission to grounds, stands etc. The Maximum admittance charge for any game except the Finals, shall be £3.00 per person, with those under 18 and County Members, admitted Free of Charge. Admittance to the Finals shall be £5.00 per person, with those under 18 and County Members admitted free of charge. Should a higher charge wish to be made, these charges may only be made with the approval and agreement of the Competitions Committee.

15. TERMS OF PARTICIPATION

- a) The result of each tie played, must be advised to the Competitions Secretary by telephone or electronic means, as soon as possible but in any event no later than 10.00 am on the following day of the playing of the tie by the winning club.
Failure to so advise the Competitions Secretary will be considered a serious offence and sanctions may be applied, including that of forfeiture of the match.
If the match is not played on a Saturday, then such advice should be made within 24 hours of the end of the match.
Where required. Completed Match Result sheets should be sent to the Competitions Secretary within 48 hours.
- b) By entry to the Competitions, all clubs agree to honour the playing of every tie in which it is drawn.
By failing to do this in any of the Competitions organised by the Cheshire Competitions Committee, that club shall not be eligible
- (i) to participate in any Competition organised by Cheshire R.F.U. in the one Season following such failure to play.
- (ii) to host any competition (including festivals at any age level) organised by any committee of Cheshire Rugby Football Union for the following two seasons
- c) At the playing of each tie, home/host club should make arrangements for the provision of basic medical facilities to attend to the needs/requirements of players, officials etc.
- Where specific requirements are insisted upon or specified by the visiting club, then that club is deemed to be responsible for meeting the costs of such, doctor/ambulance etc.

16. DECLINING TO PLAY

If clubs declined to be involved in the Cup Competitions, when originally agreeing to participate, then they should provide another team to substitute for them. (Failure to do so, see Reg- 15b)

NOTE ON PARTICIPATION OF MANX CLUBS

In the case of clubs in the Isle of Man. The Cheshire RFU Manx Executive Committee shall nominate 1 club only to qualify for FINANCIAL assistance from the County. The extent of this financial assistance shall be determined, and advised solely by the Competitions Committee with the agreement of the County Executive Committee. Any Manx Club drawn to play at home must be prepared to cover the travelling cost of the visiting club from Liverpool Airport to their ground and return for a squad of 22 otherwise they must play the tie at their own cost on the mainland at a ground chosen by the Manx Club.
